ST MABYN MISTLETOE FAIR

We are planning a Mistletoe Fair to be held in St Mabyn in early December this year. We hope it will be an enjoyable event for the people of St Mabyn and all around. A planning meeting has been arranged for 7.30pm on 6th September in the Village Hall.

We are hoping to have mistletoe and holly for sale and also a variety of stalls offering many Christmassy goodies. Ideas so far include cakes, preserves, home made cards, other craft items, decorations, candles and of course refreshments! If you have any bright ideas, would like to be involved with selling things or are just interested in what is being planned, please come along the meeting or talk to me or any member of the Hall Committee. Come on St Mabyn - let's have some fun!

FROM REVEREND MARGARET

From the beginning of October, the times of the Sunday services at St for Dr Gibbons and Margaret to get to St Tudy. The morning service at St Mabyn will move from 9.45am back to 9.30am. The change of times will be reviewed at the end of the year.

A big thank you to Jim Kempthorne and family for the donation to St Tudy Church of £501.75 which was given in remembrance of Tresa.

The family of the late Mary Prideaux wish to express their thanks for all the friendship and love she was shown by her many friends. Donations in memory of her totalled more than £750 and has been divided between two charities of her choice.

Due to holidays, several of the services at Michaelstow and St Mabyn have been changed. There is a list in the porch of each church with the different services shown. Times of services remain the same.

At the end of term some of our pupils both at St Mabyn and St Tudy will be moving either to Wadebridge or Bodmin Schools. We wish them good luck at this new stage in their lives.

I do hope that you all have a wonderful summer. Every blessing.

ST MABYN PARISH COUNCIL

The agreed minutes for 6th June are displayed on the Notice Board outside the Memorial Hall in St Mabyn. During the July Parish Council meeting the following came up for discussion:

The Church Fete: Mr Colin Hyde (Fete Chairman) and the many helpers and supporters were thanked for their tremendous efforts to ensure that the Fete was a success. The event raised £2,600 which is a valued fund not only for the Church, but also for supporting various charities. Congratulations to everyone for their support. The Playing Field was used for car parking at the fete; every endeavour having been made to ensure the safety of the Public. Thanks were given to the marshalls who gave up their time to control cars in the Field in order that the necessary Health & Safety Regulations were met to the full; also the demands of the Public Liability Insurers. Ultimately, we are concerned with the safety of our children in the Playing Field.

The Playing Equipment and furniture in the Playing Field: A work group has met to clean up the equipment and replace benches and tables. It was an opportunity for those involved to get together and exchange points of view - all for the benefit of the Playing Field. Thanks to everyone who assisted in this work. Other outstanding repairs in the village eg. Parish Notice Boards, replacement of bench within the pub car park, the Bus Shelter etc. are being looked at; the Parish Council has listed these repairs as a priority.

Next meeting will be held in the Memorial Hall on Tuesday 5th September at 7.30pm.

ST TUDY METHODIST (CHURCH PATCHWORK QUILT)

In the spring, Alice Goad came to me 70 plus pieces of hexagons in a plastic bag and suggested that they could be made into a quilt. This quilt could then be used to raise money for the disabled facilities at the Chapel. Alice agreed to meet all expenses, if I could make the quilt. I consulted Mavis and we looked at the collection with some trepidation!

When I took the pieces to our Patchwork Exhibition in May, many willing and talented people agreed to complete the squares and eventually all the pieces were finished. I was able to use the expertise of my friend, Brenda from Brighton, to machine complete the quilt and the result is quite surprisingly delightful. I thank everyone who has made any contribution. Alice is delighted with the result and wishes to raffle the quilt locally to maximise the amount raised, which she will donate to the chapel for its new kitchen and toilet for the disabled. The quilt is on display at Alice's home now. Tickets are £1 per strip.

On Saturday 21st October at 12 noon, there will be a lunch, including home made pasties and sweets, with tea/coffee in the School room at a cost of £5 per head. On this occasion the quilt will be presented to the winner. Please put this date in your diaries and buy your raffle tickets from Alice! Many thanks.

RON HEATH CHAIRMAN

ST TUDY CARNIVAL REPORT & RESULTS

The village carnival is alive and kicking thanks to all those who came to support the event either as a spectator, helper or as an all important entrant. It wasn't a record year for entries but the standard was very high and the we were very pleased that the village had turned out so well once again. St Breward Band entertained everyone on the field before and on the procession. The committee were very grateful to Liz Biscombe, Emma Simmonds and Chris & Pauline Cornford who helped as two of the committee and their husbands were away. The committee is quite small and need help to put on the event as there are many small jobs to be done on the night that we can't cover on our own. If anyone feels they could help out on carnival night or to set up, or clear, the field we would be very grateful. Ernie Hillson has decided to retire from his voluntary position as chef on the barbecue stall having done sterling work for many years. We would like to thank him for his support, not only with the barbecue but in helping us set up and clear the stall and field. We would also like to invite anyone in the village who feels they could contribute to the running of the event or has any new ideas to join us on the committee. Call Caroline 850385 or Kathy 850391. We would like to move the carnival forward again and would like to hear from anyone who has any ideas or comments to make. Please speak to a carnival committee member: Francis Matulewicz, Su Main, Rosemary Simmonds, Phil Callaway or as above. We would like to thank Nat Andrew and the Youth Club and The Cornish Arms for their support during this year's carnival week. The quiz held jointly with the playgroup went very well but could have been better supported. However, it was a fun evening and much enjoyed by those who did come along to support the evening. The Carnival Committee would like to thank the following for helping again this year: Ian Hodges, Bill Hodge, Brian Lamerton, Dave Smith, Steve Luck, Keith Turner, Sid Bastard, Graham Keat, Richard Callaway, Lesley Fraser and Anne Masters. Dr Oliver Scott for being our first-aid cover. Bill and Brian sold over £350 of raffle tickets and the committee would like to thank the following for providing some of the great prizes on offer: Button Meats, Hengar Manor, The Cornish Arms, St Tudy Post Office, Williams & Sons Butchers and Malcolm Barnecutts; other prizes were generously given by the carnival committee. Many thanks also to our carnival royalty, Rachael Tootle and Marley Lamerton -Madden for being our Queens and for helping to give out the prizes despite having got wet during the procession.

THE ORGAN IN ST TUDY CHURCH

By the time that you read this note, I hope that we will have reached our target figure for the rebuilding work and that by the end of August, the installation will be complete, subject to regulation and tuning. It is therefore appropriate that I should now express my heart-felt thanks to all those who have in one way or another made a financial contribution to make the completion of the project possible, or who have supported it by other means. The Auction Sale raised £630 and though less than the quality and number of sale items were expected to realise, that was a good result. There were many that helped in various ways on that occasion and our gratitude is extended to all those, especially the purchasers!

CELEBRITY ORGAN RECITAL: This is an advance notice that on Wednesday 4th October Peter Dyke, Deputy Organist at Hereford Cathedral will be giving an Organ Recital on the newly rebuilt organ in St Tudy Church. The recital will be at 7pm.

ST TUDY PARISH COUNCIL

The St Tudy Parish Council met on Wednesday 28th June. All councillors were present. County councillors C Brewer and J Rowe also attended.

- Minutes of the AGM and Parish Council meetings of 31 May were discussed and approved.
- Both County Councillors talked about the future of Newquay airport. The County Council has voted to take over the airport when the RAF leave next year. The County Council will own the airport. This is good news and should ensure that Cornwall has the basis for the development of a superb airport in the future to enhance the economic prosperity of Cornwall.
- There were no planning permissions for review.
- It was agreed to give a donation of £250 to the Playing Field's Trust towards its insurance which must cover the children's playground equipment.
- Standing orders, model financial regulations and a risk assessment policy were tabled at the meeting for review and approval at the next PC meeting.
- Cllr Mev Shelley tabled a précis of a consultation paper on English Local Authority Byelaws - Procedure to Make, Confirm and Enforce. It was agreed to look at this for the next meeting.

MARGARET SHELLEY

ST TUDY JUNIOR YOUTH CLUB

During Carnival week, the Youth Club hosted rounders matches on the playing field. Emma and Nicky organised a "Young Ones" match while the older more serious players were split into two teams. Team captains were Steve Tootle for the "North" and Mark Button for the "South". The match was greatly supported having thirteen on each side including some very competitive Mums and Dads! After an exciting first half followed by refreshments and pasties, the second half ended in a draw of 17 rounders each. My job as umpire was made easy by the fact that everyone entered into the game with great sporting spirit and fair play. Thank you to everyone who took part - we had all a great evening. Many thanks and well done to Youth Club leader Nat Moore (a most competitive and excellent rounders player!!) for organising this event, not forgetting the team of helpers - Fiona, Nicky, Penny, Louise, Jo and Emma. Also, thank you to the school for the use of the canteen. Rematch next year?

Youth Club will resume again towards the end of September and the first session will be our annual meeting with parents to form a new committee. For the Youth Club to keep going, we need the continuing support of all parents of members old and new who want to come along. Nat and I will distribute a letter at the start of next term. Have a great summer.

JANE BAILEY

CONGRATULATIONS AND BEST WISHES TO:

Andrew and Caroline Pearce who celebrate their Silver Wedding Anniversary on 1st August.

1ST ST MABYN SCOUT GROUP

A huge thank you to all who have so generously donated towards the building costs of our new toilet/amenity block. The group has been busy "selling blocks" at £1 each. I'm sure many of you have already contributed, but if not they can be purchased at the St Mabyn Post Office, School or Inn or by giving me a call.

The group has been accepted for Gift Aid which means that for every £1 donated by a taxpayer, we can claim 28p from the Revenue; so now's your chance to reclaim some of your tax and give it to a good cause. Full

planning permission has been granted for our proposed building and we are anxiously awaiting lease completion. We will then be able to make a start with the money raised so far alongside some successful grant applications.

Next, we intend to produce a Scouting Calendar for 2007 and now need businesses to sponsor each month at £100 each. These will be professionally produced so please give me a call if you can help and take advantage of this cheap form of advertising.

Our third venture will be an "It's a Knockout" competition; hopefully being held in the village playing field in August with the help from St Mabyn Young Farmers. This is in the early stages of planning and it obviously depends on Parish Council agreement and Health and Safety issues.

As a group, we have had steady interest from new members and after the summer break, intend to re-introduce separate Beaver, Cub and Scout sessions. (Revised times to be advertised nearer September.)

Thank you once again for all your support and if you feel you could help in any way, by donating, sponsoring or building, please don't hesitate to contact me on 01208 841760.

BRIAN FARMER - CHAIRMAN

ST TUDY PLAYGROUP

It is the end of the summer term and we have seen quite a few changes during 2006 - welcoming new faces on to the staff, the committee and amongst the children. We are saying goodbye to Fredi Harris and Clare Scott on the Committee and we take this opportunity to thank them for their hard work as co-treasurer and secretary respectively. We'd also like to say a big "well done" to Sue Levers, Playgroup Supervisor, who has now been with us for one term.

The playgroup relies heavily on local fundraising initiatives and we recently held a quiz night in conjunction with the Carnival Committee. Thank you to everyone who turned out and supported our cause. The monies raised on behalf of the playgroup will enable us to finally purchase a computer and printer for the playgroup staff. Our thanks also go to the Camelford and Wadebridge Co-op's, Morrisons of Bodmin, Camel Valley Wines and Linda Greenhaigh who all so generously donated raffle prizes for the night.

We look forward to welcoming new parents and children to the playgroup in September. If you wish to come to our toddler/baby sessions, or if you have a child of two and a half years or more, who may like to take part in playgroup, please don't hesitate to contact our Playgroup Supervisor, Sue Levers on 01208 851232. She would be happy to give you more information and invite you to one of our sessions.

SUSIE BALLERSTEDT CHAIRMAN

ST TUDY GARDEN SAFARI

What a wonderful weekend - all the gardens looked beautiful. We would like to say a huge thank you to all those who opened their gardens, to Pat Tanner and her team for the wonderful food served in the Clink and to those who sold tickets, ran the raffle and sold the plants. But of course, we must also thank the many people who braved the heat to walk around the gardens; without them, no Safari! The response to the request for poems was tremendous. We hope you enjoyed reading them. The magnificent sum of just over £1150 was raised. Thank you all.

THANKS

Thank you to everyone for all the cards, gifts, donations and beautiful flowers and to all who came to Lyn Melynor on 13th July to help me celebrate my birthday. The sun shone and being surrounded by all my friends has given me so many happy memories for all the days to come.

MARY LOW

I would like to express my sincere thanks to everyone for their cards and good wishes, especially also for the

support and offers of help during my recent illness and surgery. Happily, I have been informed that all is well and every day brings much improvement.

HELEN DEGNIN

Jane, David and family thank everyone who came to Lyn Melynor and made Mary's 90th birthday a very special celebration. Thank you too for all the cards, gifts and donations. We have forwarded a cheque for £355 to the Breast Cancer Campaign. Andrew, (our son-in-law and chief bartender) is attending a conference at the Campaign headquarters next week (18th July) and will be reporting first-hand on the festivities and generosity of the people of St Tudy. In addition, we would like to give special thanks to St Tudy for making us so welcome in the village. It is hard to believe that we will have been here for 10 years in September.

JANE AND DAVID MILLER
