ST TUDY LADY CHAPEL OF REMEMBRANCE

We are hoping to return the Lady Chapel at St Tudy by the side of the organ to what it was originally intended to be. Obviously, in order for this to happen we need a faculty from Truro. We are hoping to apply for faculty in the middle of August and plans, pictures, materials and costings have been sent. If anyone feels that they would like to contribute either money towards, or a particular item in memory of a loved one, or of a special occasion, please complete a form and send it to Margaret as soon as possible.

There will be a "Memorial Book" in the Lady Chapel with photographs and dedications for a permanent record. It is hoped that we will be able to rededicate the Chapel on Advent Sunday.

Items required with approx. cost: carpet (Tintawn Townhouse 42, colour nocturne (deep blue), £314; curtain (single curtain of 5 widths of Blenheim Velvet, colour Oxford Blue, fully lined) £251; chairs (8) (Rosehill RI Church chair, Performance Bentley) £50; hassocks (8) (colour deep blue, assorted designs) £25 (kit); altar - contact Phil Tizzard; altar frontal - contact Norah; curtain rail and rings - contact Phil Tizzard. Suggestions of anything else that we might need will be gratefully received.

I/We would be pleased to donate (item or cash donation) towards the restoration of St Tudy Lady Chapel of Remembrance in memory of

The St Tudy Jubilee Committee will be holding its final meeting in the Village Hall on Tuesday 3rd September at 7.30pm. Surplus money in the bank is £232.32. Any ideas for use of this money for a commemorative reminder of the Queen's Jubilee can be left in the box in the Post Office.

TREVEIGHAN METHODIST CHAPEL - FUNDRAISING

The concert that was held on 11th August at Michaelstow Church raised £210 towards the works of improvements at Treveighan Chapel. The Tintagel Orpheus Choir delighted us with a selection of songs both religious and secular. There was a wonderful surprise to the entertainment when Mr Brian Wright performed a selection of early music on the lute. The chairman for the evening was Mr Brian Parkman. Afterwards, refreshments were provided by the ladies of the parish.

Thanks are due to the Reverend Margaret Millson and the churchwardens for allowing us to use the church for the concert. The evening again demonstrated the close links and co-operation between the church and the chapel in the parish. To all who organised, performed, helped and supported, thank you. In addition, the Chapel received a donation of £26.51 on behalf of the late Reg Cowling, a long-time resident of Treveighan and a staunch and generous supporter of parish events. The work at the chapel is nearing completion and it is intended to have special re-dedication service in late October.

MICHAELSTOW CHURCH FETE

Once again thanks to Mr & Mrs Knox. A lovely afternoon was spent in their garden which had been well prepared by Chris Juleff. There were all the usual stalls and games and luscious teas were served by a dedicated band of ladies which were enjoyed by all. Punch & Judy thrilled the children and a puppet performance by young Alex Jesson was an added attraction. A bouncy castle and ice creams were enjoyed and the Carnelford Band entertained throughout the afternoon.

The fete was ononed by the Rev Margaret Millson who also helped no a stall and manned the PR system. Thanks to all who manned stalls, collected tables and chairs, put up bunting etc. and also all those who came and spent money(!) and we hope enjoyed themselves. Up to date the total raised was over 31650 - a noble effort.

NORTH CORNWALL DISTRICT COUNCIL NEWS

The kerbside recycling service has now been introduced in Bodmin, Wadebridge, Bude, Padstow, Camelford and Launceston. Residents have responded very well and the scheme is running smoothly. During September, the service will be extended to the bigger villages in the district and by Christmas all rural areas should be on the scheme. The only plastic we pick up on the kerbside scheme is plastic milk bottles, but you can recycle other types of plastic eg. shampoo bottles, fabric conditioner, washing up liquid bottles etc. by taking them to the plastic recycling banks in: Bodmin, Safeway; Wadebridge, Lidl's. (You can ignore the fact that these recycling banks may still be labelled as "Plastic milk bottles only".) However, please do not include yoghurt pots or margarine tubs or similar plastics.

At the moment all North Cornwall's recyclables are taken to Redruth for sorting and processing, but we hope before too long we will have our own "materials reclamation facility" (MR-F) in North Cornwall. This is thanks to a £1.6 million grant won by NCDC and Caradon District Council. The final details have not yet been confirmed but it is hoped that the new development will be near Bodmin with good access to the A30. The new facility will incorporate a visitor centre which we think will be very popular with schools and local groups. Visitors will be

able to learn all about recycling and what happens to all the materials collected. They will also be able to view the sorting and baling process from a viewing gallery above the plant.

HANGING BASKETS AND PLANTED TROUGHS COMPETITION

The second judging on Wednesday 7th August started off in light drizzle -then the sun came out and it was steaming! As usual some entries had improved whilst others had not! The three judges, Sue Dibble, Sarah Northcott and Pam Hume, were unanimous in their decision of winners, although they had a bit of a discussion over third places.

Hanging Baskets – 1st Dee Eastlake, 2nd Debbie Philp, 3rd Tresa Kempthorne.

Planted Troughs – 1st Dee Eastlake, 2nd Debbie Philp, 3rd Jenny Keat.

Thank you to everyone who took part, many congratulations to Dee for her beautiful entries and we can look forward to her being one of next year's judges.

The second Saturday in September means the CHCT's sponsored event to many people. Last year, over 80 churches and chapels raised £7370 for the Trust (and the same amount for their churches) with amounts ranging from £790 to £5.

For the last two years in St Tudy, we have had a Coffee Morning but prior to that we did sponsored bike rides and walks between local churches. If anyone is interested in riding or walking or supporting the Coffee Morning on Saturday 14th September, 10-11.30 in the Clink, please contact Jenny Muir tel. 850293.

ST TUDY W I

Mavis Kingdon, Vice-President, chaired the July meeting, seasonally attired in her shorts! Members were thanked for helping provide tea for a visiting institute and also for entering a float in the Carnival. This won a cup in the humorous section with "Swan Puddle".

The recent trip to Pine Lodge's glorious garden had been greatly enjoyed. Subscriptions will be going up again in 2003, much to everyone's horror. Mrs Ann May, who represented us at the IGM at Brighton, gave her report. Both resolutions were passed unanimously and we were told that there was a department at NFW1 solely for lobbying parliament upon such resolutions. The speaker was Lesley Cole, whose wonderful patchwork and quilting is frequently inspired by the sea, villages, mines and countryside of Cornwall. She was thanked by Nora Sheer, herself a gifted patchworker. The competition, a piece of own patchwork, was won by Yvonne Nobbs.

ST TUDY PARISH COUNCIL

The Parish Council have now filled their final vacancy with the co-option of Mr Orchard. We are pleased to welcome him to the parish team.

There is a new style bus service named CORLINK which is now operating. It enables people living in the area between Wadebridge, Camelford and Bodmin to link with the main bus routes by using interlinking mini buses. These mini buses can be booked in order to link with the core service at key interchange points but can also be booked at other times to pick up and drop off anywhere in the area. The area effectively is between the A30, A39 and A389 roads and Camelford to the north. Please use the service, if you can and leave the stress of the car behind. Leaflets are available which set out timetables and fare structure.

Will you please note the police surgery is available on the third Thursday each month between 2-2.30pm in the centre of the village. There are leaflets and helpful advice available.

If you have any concerns on any village matter please talk to your parish councillor or myself.

FROM THE REVEREND MARGARET

A very big thank you to all for your support of our first "Musical Extravaganza". We were blessed with good weather and the evening proved to be a great success. £527 profit was made for the Benefice. A special thanks goes to all who helped make the evening so special. Thank you St Breward Band, Zoe, Bill Wareham, the Cam-Allen Folk Group, Diane and John Bartlett, also to Ian Hodges etc. and Brian, plus the many helpers on the evening itself.

Congratulations to the members of St Mabyn Church on the memorable Flower and Craft Festival. The church was breathtaking.

During the first two weeks of September, Peter Coster will be leading Morning Prayer on Wednesday mornings at St Mabyn. Normal weekday services at the three churches will resume in the week beginning September 16th.

It was a great joy to conduct my first wedding service in the Benefice on 17th August in a packed Michaelstow church. The weather was good and a very happy time was had by all. I am sure that it brought back memories to many in the congregation of their own wedding days. It is lovely to know that so many couples are celebrating "special" anniversaries in the next few weeks and Good Wishes go out to them all. I am sure that many of you will agree with me that marriages are not necessarily made in heaven, but do indeed need working at if they are to succeed.

Marriage involves commitment and a willingness to try to sort things out when problems arise, even though this cannot always be the outcome. In the marriage service, we read that "Marriage is a gift of God in creation". It was blessed by Jesus himself at Cana of Galilee when the water was changed into wine, and even in this third millennium it is a wonderful institution. I am looking forward to conducting more weddings in the future and I pray that the love experienced by those about to embark on the journey of matrimony, will, through marriage, grow and mature and become like the wine experienced by those in Cana of Galilee.

CANCER RESEARCH UK

£775 has been sent to Cancer Research UK after the Cream Teas at the Oaks Barn on Sunday 4th August. Sincere thanks for all who came for tea and all who helped in any way to raise this truly magnificent amount.

ST TUDY GARDEN PRODUCE ASSOCIATION

The Annual Summer Show was held in the Village Hall. This year the number of entries was considerably down, particularly in the veg department due mainly to some of our "regulars" being out of action for various reasons. Heavy rain the day before certainly did not help! Nevertheless, there was a very good display of flowers for the judges to inspect.

The judges were Mr J Bennallick from St Wenn (vegetables), Mr J Godden from St Kew (flowers) and Mrs J Godden (floral art). Val and Ken Metcalfe manned the entrance and raffle, Peggy Metters provided the refreshments and our Chairman, Brian Lamerton presented the prizes.

Cup for most points in Vegetable Section - Mr R Pearce Runner-up Cup - Mr F Cotton Cup for most points in Cut Flower Section -joint winners: Mrs Jenny Keat and Mr J Lacey. Runner-up Cup - also joint winners: Mrs Dee Eastlake and Mrs Jane King. The John Stone Cup for most points in Pot Plant Section (gained by a St Tudy GPA member) - Mrs Dee Eastlake. The Lamerton Memorial Cup for best exhibit in show - Mr J Lacey (for three perfect dark red dahlias). Cup for best exhibit in Floral Art Section - Mrs Judith Jasper The Dray Memorial Cup for most points in Vegetable and Flower Sections Mr R Pearce Cup and Medal for best exhibit in Junior Classes - Anya Louden (for a miniature garden).

Well done, everyone who took part. Hopefully, the next few weeks will be kind and encourage us to be ready for the Autumn Show on 12th October.
